

## Membership Fees

2010 - 2011

### Membership Types

There are 4 types of membership:-

a) **Full Membership** – these members have access to all Club activities and programmes without further cost with the exception of:-

- Club competitions, whereupon a nominal entry fee will be charged to cover judges' costs
- Show productions, whereupon a contribution towards production costs may be required
- Open competitions organised by DISC, whereupon relevant entry fees will be published.

Full members may enter all Club events and competitions, subject to any ISU/NISA eligibility requirements that may apply to these events and competitions and subject to specific rules that may be devised by the committee, which will be clearly posted prior to the event or competition. Full members, who are 16 years of age or over have voting rights. In order to participate in the annual Show, members must join by 1<sup>st</sup> July each year. All paid up full members are automatically members of IceSkateWales. For 2010-2011 only the Club will pay the IceSkateWales affiliation fee on behalf of its members

b) **Non-skating Membership** – these members have voting rights if they are 16 years of age or over, and may attend all Club sessions. They do not hold any skating rights, unless they wish to take part in an on-ice Club fund-raising event, in which case the Club's published skating fee for that event would apply.

This membership is required by parents or guardians of members less than 14 years of age as at 1<sup>st</sup> May each year. At least one parent or guardian must be nominated as a Non-skating member, unless they have joined as a Full or Associate member.

c) **Associate Membership** – these members pay a reduced annual fee and may attend Club sessions with full skating rights, whereupon an additional charge per session will apply. Associate members are not eligible to take part in Club shows. Associate members are not eligible to vote. Associate members under the age of 14 must be accompanied by a parent or guardian, who will be required to join as a Non-skating member.

d) **Honorary Life Membership** – The Committee may nominate, and the Annual General Meeting endorse, Life Members to honour those who have given outstanding meritorious service to the Club. Such Members may not, subject to Rule 11 of the Club's Constitution and Rules, have their Life Membership revoked and shall not be required to pay a subscription. Such members shall have the privileges of Full Membership.
